## East Grinstead Sprint Triathlon

Beginners Training Schedule

The following training schedule is intended for beginners, designed to provide a 'build up, get-round and enjoy' approach.

The club would be delighted to hear from anyone who intends to follow the training programme and would like to come along to club training sessions where you will find advice, guidance, answers about triathlon and what to expect on race day.

It is important that you visit your GP for a medical check before embarking on this training plan.
